

APPLICANTS' SUMMARY OF EXAMINER INTERVIEW

Applicants would like to thank Examiner Fearer for the courtesy of the telephonic examiner interview on February 1, 2010. During the interview, Examiner Fearer and Applicants' representative, Albert W. Vredevelde, discussed the subject matter of the claims. In addition, Examiner Fearer and Applicants' representative discussed Hurley et al., U.S. Pat. No. 6,678,882 B1. Whether the "MergeAgent" of Hurley corresponds to the "change unit" of claim 1 was also discussed. Examiner Fearer and Applicants' representative also discussed the claim rejections under 35 U.S.C. § 101. Examiner Fearer indicated that amending the claims to recite a "computer-readable storage medium" would likely satisfy Section 101.
